Mission Statement

To develop and promote a [set of standards](#) that will [increase compatibility](#) among Linux distributions and enable software applications to run on any [compliant system](#). In addition, the LSB will help [coordinate efforts](#) to recruit software vendors to [port and write products for Linux](#).

LSB at Upcoming Conferences

Come hear talks by LSB project members at upcoming conferences: Software Livre in Porto Alegre, Brasil; LinuxTag in Karlsruhe, Germany; Ottawa Linux Symposium in Ottawa, Canada. The LSB will also be holding a meeting August 5-6 in San Fransisco at Linux World.
